HELPFUL SPURS.

without his catching us. The school not spur us. Evidently we must spur Do one thing at a time and do it well. purselves on. Whatever spurring we get must be self-inflicted. The attention is called to a list of spurs.

Spur One.-Count the days. The Psalmist said. "So teach us to number our days that we may apply our shall, a Democrat, will succeed Hanhearts unto wisdom," At the beginning of the term, we make our plans as large as possible and as the days go by we shall find the time all too short to accomplish what we desire. Also as we become acquainted with our pupils, we discover their needs and add to our original plans. We need now every single day, used to the utmost, in order to do the work that is pressing to be done. If cur term is six months, we have one hundred and twenty days. As one after another slips away, we should count jealously those that remain and part with each one as reluctantly as a miser parts from his dollars.

Spur Two.-Measure what remains by what has been done. In reviewing the past, we can see how many difficulties were encountered that had not been foreseen. Various unexpected hindrances impeded our progress. We may count upon it that such will be the case to the end. A certain man was adjudged insane because he supposed he could build a house for what the contractors told him it would cost. So we must meassure the future, not by what we can see, but by the experiences of the past. Doing this we shall readily conclude that we have no time to

Spur Three.-For the sake of my pupils I must not relax my viligance. They must take me as their pattern I am their example. I cannot expect them to do more than they see me doing. If I urge them to be diligent, I must be diligent. If I would have them increase their interest, I must not lose mine. This should be a very keen and effective spur.

it to my parents who love me, to my teachers who instructed me, to those who recommended me, to the directors who employed me, to my patrons who have intrusted their children to my care, to my country and to my Maker to put forth my best efforts, to discharge my duties faithfully from the first day to the last. Nothing less than whole-hearted service will relieve me of my obligations to all these.

Spur Five.-Duty to self. Lastly, I cannot afford to fall in loose ways for the sake of ease, or relief from daily bardens. If I allow myself to become careless, I will greatly injure my chances of success, Work slighted one day will be more easily slighted the next, and soon the habit will be form- fell considerably below that of Mr. ed and my usefulness will be practi- Roosevelt, which was 24,003. cally ruined. Neither is it sufficient that I should keep from slipping back or that I should merely hold my own. I must provide opportunities for self growth and not fail to use them,

By such spurs as these, the teacher must keep himself up to his best efforts; without them, he will never reach the goal of his ambitions.

2. KEEPING A BRAVE FRONT.

It is never wise to reveal discouragement or disappointment. Many a general has saved himself from a crushing defeat by a good showing in front. Disappointments are certain to come, but we need not brood over them nor talk about them. Some teachers lie awake nights worrying minion is still safely within the Demoover their difficulties. It does no good whatever, but much harm, because it robs us of greatly needed rest and so unfits up for the next day's duties. 17,880 since 1904.

3. ENCOURAGING THOSE WHO NEED, IT.

The Word That Inspires.—It is well to keep an eye out for any depression of spirits among the pupils. Every one has his trials and difficulties. Some are much more easily discouraged than others. They should have just the word that they need, whether has carried Arkansas by a reduced it be praise, blame or sympathy. Some majority, as a result of a heavy negro have to struggle very hard to keep

publican candidate for re-election, retained his seat, but Thomas R. Marly in Indiana, and Harmon, Democrat will succeed Harris in Ohio.

The Republican hope of carrying Kentucky proved vain in spite of the victory of Wilson, Republican, in the guberantorial contest last year. The greater part of the state's congressional delegation will be Democrats.

The Pacific coast states, California, Washington and Oregon, have given their votes to the Republican candidate, but Nevada, which voted against Parker in 1904, gave its votes this year to Bran. Montana, the Dakotas and Minnesota are again Republican, but Gerernor Johnson's personal popularity has sufficed to seat him again in the guberantorial chair of the North Star state. Wisconsin, Michigan, Iowa and in fact the entire West and Northwest are Republican, but, as noted above, by lowered majorities.

The South Still Solld. The "solid South" is still solidly Democratic, Mr. Bryan polling the usual large majorities. Only in Maryland has the Republican party made serious inroads on the Democratic vote, and in that state not sufficiently to change the result. Delaware, about which some doubt was expressed before the election, has gone Republican. The New Fngland states have gone for Taft and have elected Republican governors, ut the vote in Rhode Island, where the Democrats made a strong fight, is very close. In Massashusetts the Independence party candidate for governor made a good showing, though running far behind the vote of The las L. Hisgen last year.

The personal popularity of Mr. Bryan in his home state and of Mr. Sheldon accounts for the difference between the governor's vote and that of Mr. Taft. Tennessee. Nashville, Tenn., Nov. 4 .- Tennessee is still strongly Democratic by a majority of \$0,000. The Republican vote of 1904 was greatly reduced.

Georgia. Atlanta, Ga., Nov. 4 .- Georgia's thirteen electoral votes will be cast for William J. Bryan, and the state's representation will continue solidly Democratic. The state election was held in September. The Taft vote in this state

Austin, Tex., Nov. 4.-William H. Taft did not make as good a showing in this state as President Roosevelt, who polled 51,242 votes in 1904. The vote this year is approximately as follows: Bryan, 220,000; Taft, 20,000. Thomas M. Campbell, Domocrat, has been re-elected governor.

South Carolina.

Charleston, S. C., Nov. 4.-The Republican party polled only 2,000 of the 58,000 votes in this state, running slightly behind the figures of four years ago. M. F. Ansel has been reelected governor without opposition.

Richmond, Va., Nov. 4 .- The Old Docratic ranks by a majority of about 17, 000, but lost one Republican congressman. Taft polled only 30,000 votes in a total of 130,000, a Republican loss of

Jacksonville, Fla., Nov. 4.-Albert W. Gilchrist, Democrat, has been elected governor of Florida, and the Democratic national ticket has carried the state by a majority of about 25,000.

Cincinnati, Nov. 4 .- With probably the heaviest vote in the history of the state, Judge Taft's native state Tuesday gave him a elightly more than normal Republican plurality, but at the same time a Democrat was apparently tive of the state. The two winners are residents of this city, and in Hausthon county they received strong support. The indications are that the plurality for Taft in the state will be from 50 000 to \$2 000 thousand willie that for Harmon will be only 3,000 or 6,000. Even these figures, however, may be changed by later returns, although the general fact of Harmon's victory seems settled.

ILLINOIS FOR TAFT

The Usual Republican Majority Returned in That State.

Chicago, Nov. 4 .- Illinois has been carried by the Republican party by a plurality of 150,000, giving the state's twenty-seven electoral votes to Tait and Sherman. The state Republican ticket has also been successful, Governor Charles S. Deneen winning from former Vice President Ad'ai E. Stevenson, by a plurality of about 100,000, and Cook county gave a plurality to Taft of 5),000 against 126,000 for Roosevelt four years ago. Outside of Cook county the plurality for Taft is not far from 120,000. The plurality President Roosevelt in 1904 WL3 304,939 for the state.

Stevensor, the Democratic candidata for governor, carried the city of C' !cago by about 8,000 and the county of Cook by about 6,000. He lost heavily, however, in the state outside of Coo's

The next state legislature will be Republican by a strong majority on joint ballot. This means the re-election to the United States senate of Albert J. Hopkins. Speaker Cannon has been re-elected in the Eightsenth district by a majority of about 7,000.

The voters of the state have indorsed the proposed constitutional amendment authorizing the state to issue bonds of \$20,000,000 for the construs Cepublican tion of a deep waterway beginning t or near Lockport, Ill., to a point at or near Utica, Ill., in the Illinois river.

Republicans Carry New Jersey. Trenton, N. J., Nov. 4 .- William H. Taft swept the state, being made the choice for the presidency of 80,000 more voters than approved of Mr Bryan's candidacy. Seven of the ten congressmen chosen are Republicans and the Republicans will control both houses of the state legislature by even greater majorities than last year. 12 Essex county Everett Colby has been re-elected to the state senate. He arpears to have carried his county ticket through with him.

Governor Johnson's majority of 76,633 two years ago was reduced to 30,000

Gore Will Be Returned

Guthrie, Okla., Nov. 4 .- Bryan's lead is estimate 1 at only \$5,000. The five members of congress, four Democrats and one I publican, have been reelected. The legislature is two-thirds Democratic insuring the re-election of United States Senator Thos. P. Gore. The only state officers chosen were Corporation Commissioner A. P. Wat. son and Justice of the Supreme Court S. W. Hayes, both Democrats.

Kansas Still Republican. Topeka, Kan., Nov. 4. - Kansas is again in the Republican column this year. Mr. Taft's majority in the sta"? is 25,000, 100,000 less than Mr. Roose velt's majority in 1904. Walter 3. Stubbs, Republican, has been elected governor.

(EDITORIAL TONTINUED FROM FIRST PAGE)

And the people are to be congratulated because there are to be no rash and foolish experiments with our courts of justice, our tariff, our banking system, or our currency. The election will re-establish confidence, and, slowly at first but surely, prosperity will return, more quickly and more fully than would have been possible under

But there are many lessons for both parties in the vote. The first is to the Democrats and is this: - That the present combination of very conservative and very radical people, who for different reasons, dislike the moderate party, will never be successful. The nomination of a conservative four years ago resulted in a bad slump in the normal Democratic majority in radical states, while the nomination of a radical this year has caused notable loss in conservative states. The Eastern and Western Democrats cannot work together-when the nominee comes from either section the other will turn and rend him. Another lesson for the Democrats is that the time has gone by when man can run for president with his ability to make a speech as his highest qualification

The lesson for the Republicans is even more important, and it is this: -That the people are getting tired of the Republican party. The vote was clearly against Bryan and for Taft, far more than it was against the Democracy and for Rapublicanism. Almost every other man running in this country on a Democratic ticket had a larger vote in his territory than Bryan did-Bryan ran far behind his ticket

This can mean only one thing- that the people were electing a man and not a party-and that they have a deep feeling against the party which their favorite man represents. Roosevelt and Taft are endorsed far more heartily than congress is and only one Republican caudidate for governor ran even with Taft. It was Taft the people elected - the vote does not show entire confidence in the party.

As yet this feeling is not strong enough to defeat the party, tho it is too strong for comfort There have been many grounds for complaint-many men of very bad character have been admitted to Republican councils and have not served the people well. And the people are tired of this - they desire a Congress that will do things, and officials that will represent them. The Republican party can not hope to remain in power unless it comes nearer than it has to meeting these just requirements

This lesson is enforced by the fact that party lines have been completely broken. Indications are that there were nearly a million scratched tickets voted Tuesday. The people have learned how to enforce their will and the politicans and parties must bow to it if they will be successful

The people do rule! This fact has been proved. It meant defeat to Bryan and it is a warning to the party that defeated him that a strict account of its stewardship will be demanded.

Shearn, Independence party candidate for governor, ran ahead of Wanhope, the Socialist nominee.

Kentucky went for the Bryan ticket by about 10,000. Democratic County Ticket.

Indianapolis, Nov. 4 .- The returns from the state of Indiana, based upon incomplete reports, make a peculiar rote as it did Mr. Roosevelt four years For the first time Thomas A. Grant carried the state can candidate, which is a slight defor the national ticket, Indiana has crease since the last presidential elecgiven a majority to the Republican tion. Henry B. Quinby, Republican, candidate for president and a majority has been elected governor. to the Democratic candidate for governor.

The reports indicate: 1. That Taft has carried Indiana by

a substantial but not a large plurality. 2. That Thomas R. Marsiall has been elected governor by a small p.urality. 3. That nearly all, if not all, of the

ticket except James E. Watson have been elected. 4. That the Democrats have elected

a majority of the con conal delegation from Indiana.

5. That the legisl ture is close and the United States senatorship hangs in the balance.

It is believed that the entire Democratic state ticket is elected and that the Democrats will control the legislature. The Republicans lost their legislative ticket here and at Terre Haute and other cities. Unless the country shows unexpected gains the Democrats will have the legislature on joint ballot, which will mean the retirement of James A. Hemenway from the senate. Judge Taft's plurality in this county will be less than 1,000, although Roosevelt carried it

four years ago by 13,000. While Chairman Goodrich and his associates have not authorized any statement giving Indiana to Thomas R. Marshall, the Democratic nominee for governor, they stated privately that he has carried the state. Chairman Goodrich thinks, however, that his plurality would not exceed 3,000. The Democratic leaders are insisting that Mars all has carried Indiana by a plurality exceeding 15,000 and that the result, so far as Taft and Bryan are concerned, is in doubt.

It looks now as though Republicans may have 'ost control of the legislature on joint ballot and which would mean the retirement of Sena' 'ames A. Hemenway of Boonville. . i, however, is not conceded at the Republican state headquarters.
